warehouse and Archiving

At Len's you can manage your stock online. Our secure **Warehouse Management Portal** allows you to:

- Tell us about upcoming deliveries so we can check your items for you
- Place orders for your chosen items so we can get them ready for dispatch
- Access reports – including stock movement, goods inwards, goods outwards and stock reports

Our **Archive Management System** means you can manage all your files online. You can document files, create new boxes and of course retrieve documents quickly and easily.

Flexible office space

Looking for a flexible meeting place? We offer day-to-day office space ideal for your business. In fact, at our Hillington location, you can even rent out our meeting room on an hourly basis.
